

Sponsor a Steak for a Returning Soldier & Their Loved One

To all participants in the cattle industry in Canada

Alert Agri Distributors Inc is celebrating its 25th year in business this year, having been part of the Canadian beef industry.

In celebration, Alert Agri is soliciting your financial support in sponsoring "a steak for a returning soldier and their loved one" to show our appreciation of the dedication and sacrifice these men and women have made. Their sacrifice allows Canadians the privilege to live in peace, while enjoying the freedom and benefits of a democracy.

Military Bases in Edmonton, Alberta, Shilo, Manitoba, Petawawa, Ontario, Valcartier, Quebec and Gagetown, New Brunswick host home comings when battalions from their respective bases return from overseas. In order to provide each returning serviceman or woman and their loved one a quality Canadian steak, over 12000 steaks will be required over the two year period. Canadian Rib Eyes and New York Strips will be on the menu. Alert has made a financial commitment, and will cover administration costs so 100% of your generous contribution goes to the soldiers and their loved ones. Working with the Canadian Military, any excess, in steak sponsorships contributed, will be given to one of three Benefit Funds already set up for soldiers and/or their dependents. The funds listed support both soldiers and their families while deployed and upon return.

- Wounded Warrior Fund
- Support our Troops Fund
- Military Families Fund.

In order to participate in this special event please fill out the form below and mail it along with your cheque with your contribution to the address shown. Alert will email or mail you an invoice for the appropriate pounds of steak marked paid. Thank you in advance for your contribution to these homecomings which say thank you to our military personnel and their loved ones. We all appreciate the commitment and sacrifices they have made for Canada while deployed in Afghanistan and other locations throughout the world.
