

Welcome to the to SCA's new athletic sponsorship initiative. High performance athletes need high performance nutrients to fuel their efforts and to recover from their strenuous activities. Beef is a dense natural protein, rich in nutrients like iron and zinc, that meets the nutritional needs of today's athletes.

This program brings some financial support for Saskatchewan athletes while promoting nutrition information with beef, nature's high performance protein, at its center.

What do you get?

Depending on the size of the team or the amount of the request, teams and individual sport athletes can receive funding from *\$100 to \$1,000 depending on what tier of the High Performance Protein Plan they are applying for.

How do you apply?

Go to www.saskbeef.com and click on the "High Performance Protein" logo on our home page. This will bring you to the sponsorship page. Download the application form, fill it in and submit either by emailing a scanned copy or mailing it to:

Saskatchewan Cattlemen's Association
Athletic Sponsorship Program
102-2255 13th Ave
Regina, SK S4P 0V6

What we ask/get?

- A high visibility picture of the team or athlete or event and permission to share it in our communications
- Distribution of the nutrition and preparation information to all participants.

High Performance Protein Plans:

- **\$100 to \$250** - Individuals looking for support to attend competitions. Includes logo warm up shirt and beef information on preparation and nutrition.
- **\$250 to \$500** - Youth team sponsorship. Includes T-shirts with team logo and High Performance Protein Logo and nutrition information.
- **\$250 to \$500** - Event sponsorship. Includes "door prize" high performance clothing item with logo and nutrition information.
- **\$500 to \$1000** - High visibility team sponsorship. Applicants at this level may have logo placements on uniforms, or other "value" for sponsorship. Dependant on application.

*Please note that program funds are limited and applications are not guaranteed to succeed
